### About Charlene:

Charlene's 3rd 7in. Recorded and released in 2001. Despite the low-profile and limited number of releases, Charlene are a hard-working bunch. Really. Labeling a band over 4 years old with only three 7in vinyl releases to it's credit "hard-working" might be a bit of an imaginative leap, but it is precisely this sort of

### Quotes:

"Charlene hint at the definite possibility of future glory." - Skyway

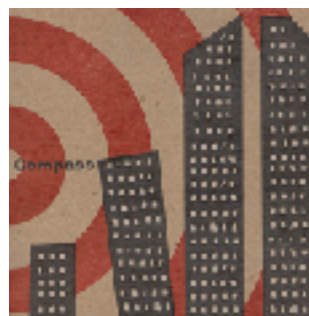

"While Charlene hardly sounds like the fighting type, the group does manage to bloody up 90-pound weaklings Ride before making their guitar-skree getaway. -- Magnet

contradiction that typifies Charlene. Through the luxury provided by Dented Head studios, the band has been able to amass a vast catalog of songs that are in a state of near completion. You can never finish a song really. Just release it at some point and hope you didn't ruin the spark that made you commit it to tape in the first place. These songs are perfect examples of that commitment to creating quality music. Seriously man, I'm not kidding here. What?
